Dear Executive Director:

CARL A. S. COAN, III

SHEILA C. SALMON

Coan & Lyons is the law firm handling the lawsuits against HUD seeking money damages because of HUD's allocation adjustment to the 2012 operating subsidy. We won the first lawsuit and the Government did not appeal that decision. We are now coordinating a second and identical lawsuit.

Many housing authorities have joined the second lawsuit. However, many others, particularly the small agencies, have told us they want to join the lawsuit but they do not have any non-federal funds to pay the flat fee of \$1,000 for agencies with fewer than 250 public housing units, or \$3,000 for agencies with 250 or more public housing units. As a result, almost \$100 million in potential money damages could go unclaimed.

In order to address the problem that many housing authorities cannot raise non-federal funds, we are offering to waive our up-front, flat fee for 200 housing authorities. Pursuant to this offer, we will pay any required filing fees out of our funds and bear all litigation risks. Those housing authorities that become plaintiffs under this no-fee, no-risk initiative will in turn pay Coan &

Lyons **ten percent** of any money damages they are awarded and receive through the litigation of the second lawsuit.

If more than 200 housing authorities respond to this offer, a priority in selection will be given to small authorities (fewer than 250 public housing units) over large authorities (250 or more public housing units). Within each group (small or large), a priority will be given to the authorities with the highest money damages.

If you wish to participate in this offer, please sign the attached Retainer Agreement and return it by email (lawelerk@coanlyons.com), fax (202-293-2448), or mail to the address above, as soon as possible. Please note that we have a firm deadline of October 27 to receive your signed Agreement.

This deadline is necessary in order to assure that a Complaint in the second lawsuit is filed before the statute of limitations prevents the filing of the second lawsuit.

Please let me know if you should have any questions.

Sincerely,

Carl A. S. Coan, III

As a result, almost \$100 million in potential money damages could go unclaimed.

In order to address the problem that many housing authorities cannot raise non-federal funds, we are offering to waive our up-front, flat fee for 200 housing authorities. Pursuant to this offer, we will pay any required filing fees out of our funds and bear all litigation risks. Those housing authorities that become plaintiffs under this no-fee, no-risk initiative will in turn pay Coan &

Lyons **ten percent** of any money damages they are awarded and receive through the litigation of the second lawsuit.

If more than 200 housing authorities respond to this offer, a priority in selection will be given to small authorities (fewer than 250 public housing units) over large authorities (250 or more public housing units). Within each group (small or large), a priority will be given to the authorities with the highest money damages.

If you wish to participate in this offer, please sign the attached Retainer Agreement and return it by email (lawclerk@coanlyons.com), fax (202-293-2448), or mail to the address above, as soon as possible. Please note that we have a firm deadline of October 27 to receive your signed Agreement.

This deadline is necessary in order to assure that a Complaint in the second lawsuit is filed before the statute of limitations prevents the filing of the second lawsuit.

Please let me know if you should have any questions.

Sincerely,

October 3, 2017

Dear Executive Director:

CARL A. S. COAN, III

SHEILA C. SALMON

Coan & Lyons is the law firm handling the lawsuits against HUD seeking money damages because of HUD's allocation adjustment to the 2012 operating subsidy. We won the first lawsuit and the Government did not appeal that decision. We are now coordinating a second and identical lawsuit.

Many housing authorities have joined the second lawsuit. However, many others, particularly the small agencies, have told us they want to join the lawsuit but they do not have any non-federal funds to pay the flat fee of \$1,000 for agencies with fewer than 250 public housing units, or \$3,000 for agencies with 250 or more public housing units. As a result, almost \$100 million in potential money damages could go unclaimed.

In order to address the problem that many housing authorities cannot raise non-federal funds, we are offering to waive our up-front, flat fee for 200 housing authorities. Pursuant to this offer, we will pay any required filing fees out of our funds and bear all litigation risks. Those housing authorities that become plaintiffs under this no-fee, no-risk initiative will in turn pay Coan &
